We are considering:

- Keeping Lidlington level crossing open
- Closing all other level crossings in the area
- Diverting a number of the footpaths to reflect the changes of locations of crossing paths
- Building a new underpass to the east of the Playing Field footpath
- Building a new underpass at the existing Forty Steps crossing to the east of Playing Field crossing

Legend

- [Blue Line] East West Rail – Marston Vale Line
- [Red Circle] Existing station
- [Blue Cross] Level crossing proposed for closure
- [Green Areas] Search area for new road, bridge and footbridge
- [Green Dash] Proposed new sections of footpath
