What we are consulting on

This 10-week consultation is an opportunity for you to share your thoughts on emerging proposals for East West Rail and your views on the broader scheme.

The consultation document covers the following key sections:

- Customer experience and railway operations
- Proposed infrastructure development
 - Oxford to Bicester
 - Bletchley and the Marston Vale Line
 - Bedford
 - Clapham Green to The Eversdens
 - Harlton to Hauxton
 - The Shelfords to Cambridge station

Customer experience and railway operations

Concept of Experience

Focusing on the end-to-end customer journey

Not just at the station or onboard in isolation

What we're consulting on

Customer experience and railway operations

As part of developing the customer experience, we are keeping our minds completely open about what we might be able to offer.

We are looking for feedback on what our customers think would make positive differences to their customer travel experience.

Construction
work

A photograph of a construction site. The top part of the image shows a white plastic sheeting covering a structure, with a metal truss system visible. Below this, a large banner is displayed on a wall. The banner has a background of red, yellow, and blue geometric shapes. The text 'Meaningful connections' is written in bold black letters across the banner. The bottom part of the image shows a paved sidewalk and a road.

Your questions answered – construction work

Please can you record an issue which has been raised with the East West Rail Alliance?
Specifically:

- The tarmac breaking up on the newly constructed passing bays when you turn off the A413 towards Gawcott
- The damage to the soft surfaces by the size of the road due to HGVs

Our approach to consultation

Your questions answered – approach to consultation

- Will you extend the consultation to allow for face-to-face events?
- How will you analyse feedback from consultation?
- When will we know which concepts and options have been selected?

How your communities can get involved

There are lots of different ways to get involved in the consultation, including:

Virtual consultation rooms – open until 9 June 2021 which provide more information on each section of the consultation, including a full list of documents and maps available via the central table

Live chat events open to the public – a series of 16, two-hour live chat sessions held via the virtual consultation rooms, where participants will be able to discuss key topics directly with members of the project team

Dedicated phone line – the EWR Co telephone line will be available throughout the consultation period to enable those not wanting or able to engage online or in writing to speak to members of the Project team. The telephone number is **0330 134 0067**

Feedback form – we encourage respondents to use the online feedback form to share views by 9 June 2021.
